MEMORANDUM FOR: Mr. Robert Gambino
Director of Security

FROM :
Acting Chief, C&R Staff/OLC

25X1

SUBJECT : Establishment of a Focal Point in OLC to
Process All Compartmented Clearances for
Congressional Staffers

25X1

25X1 1. Our office was recently designated to assume the Community responsibility to process all compartmented clearances for congressional staffers. In preliminary discussions with members of the Office of Security and the staff of the Security Committee, it appears that there is not a clear understanding as to the extent of this responsibility and the manner in which it is to be implemented.

25X1 2. A meeting is necessary, including our office, your office, and the Security Committee, to discuss this matter in detail and to formulate procedures for the approval of the Director.

25X1 3. Will you please designate representatives to meet with our office at the earliest opportunity.
